Tell us more about your musical experience!

We want to know what you are working on and what goals you might have so that we might better schedule your time while at camp. Is there something tricky that you are struggling with? One of the most unique features we offer is a daily private lesson with one of our expert instructors. We want to know if you are working on a specific obscure surf song, need help with a certain technique, or want some one-on-one time with your own surf guitar hero!

One of our most popular camp activities is the SurfBand101 group that each camper is assigned to. We try to group students based on their ability and experience. Please let us know if there is a specific song that you'd like to learn for this activity. Several groups have written original songs while at camp and many campers have continued to play together after camp is over!

By letting us know ahead of time we can be better prepared to help you meet your goals and schedule time more efficiently! Please use the space below to tell us more (if you need more space use the back of the paper):

Accommodations

Please select one:

- Camping: I will bring my own tent/trailer/RV and equipment (some hook-ups available)
 Dormitory: I will bring my own sleeping bag and pillow
 Hotel/Motel: I will stay at a nearby hotel (40 minute one way drive – not recommended)
 I have special needs: please contact me!

Meals

Meals will be provided from Thursday dinner to Sunday lunch. Vegetarian options will be available at all meals (but let us know so we can get a proper head count). The camper store will be open at various times for purchase of snacks, candies, and beverages (or necessities you may have forgotten). Please

let us know if you have any special food requirements below:

Activities

The camp will focus on surf music. Classes and lessons will occur throughout the day. Each night will feature a performance by the campfire. Non-music related activities include painting/art, morning stretch/exercise class, hiking, horseshoes, volleyball, softball, fishing, campfires and general relaxing. Ukulele classes/lessons will also be available each day (please let us know if you need a loaner ukulele or would like to purchase one ahead of time).

Bring the family! There is plenty to do for all and we strive to make the camp all-inclusive with a fun family atmosphere! Please let us know if you have any questions about bringing your family.
